What is Costco?

The first membership cash and carry warehouse club, Price Club, was founded in San Diego, California in 1976. Seven years later, a group of limited partners started Costco Wholesale in Seattle, Washington. Both companies operated very successfully for over a decade, and then in 1993 they merged to form PriceCostco. In November of that year, the company opened its first warehouse club in the UK. Following the success of the merger, the company changed the name to Costco Wholesale in 1997.

Costco currently operates over 560 Costco membership warehouses worldwide. Each one is filled with top quality, brand-name merchandise at low warehouse prices. Our members include business owners and managers purchasing for resale and commercial uses as well as certain qualifying individuals who are members of specified employee groups.
