Discover how you can feel better with Bupa private medical cover

As a member of the **Retired Police Officers' Association Scotland**, you and your family are entitled to **Special Rates\*** on the Federation Family Healthplan Scheme\*\* - making it more affordable for you.

When you have a hectic career, we think taking care of your health is more important than ever. That's where Bupa can make all the difference. When you're ill, the Federation Family Healthplan scheme makes you feel better by giving you prompt access to high quality diagnosis and treatment. And when you're in the best of health, we can give you peace of mind knowing that should you need us in future, we'll be there for you.

Not all health cover is the same...

## **Breadth of cover**

If you get injured, we offer a choice of cover for complementary medicines and therapies (including acupuncture, osteopathy and homeopathy) alongside conventional medical practices such as physiotherapy, giving you access to a wider choice of treatments to suit you.

## **Cleanliness**

We offer access to prompt, expert care in a clean and comfortable environment providing the reassurance you need to help you feel better sooner.

## **Access to medicines**

In the first 6 months of 2006 alone, over 32,000 members benefited from Bupa-covered cancer treatments. By undertaking rigorous evidence-based evaluation of new treatments, Bupa funds drugs for early stage breast, bowel and lung cancers, even when such drugs are not always available from the NHS or funded by some of our competitors.

## **Cancer cover promise**

Bupa's cancer cover promise offers members a choice of extensive cover for every stage of the condition, regardless of how long it takes to treat.
