- Inheritance Tax Planning
- Long-Term Care Planning

LEGAL ACCESS

## WHAT IS LEGAL ACCESS?

Legal Access is an exclusive scheme which gives you access to a range of benefits on the property, legal and financial services offered by Aberdeen Considine.

This means you can get preferential access to the best advice when you buy or sell a home, or on legal matters like writing a will, setting up powers of attorney or general family matters.

We also offer every Legal Access member two complimentary financial review appointments - one to see if we can save you money on your mortgage and another to review your pension and retirement plans.

### HOW TO REGISTER

It takes less than two minutes to fill in our easy online registration form.

Simply visit [www.acandco.com/legalaccess](http://www.acandco.com/legalaccess)

### HOW TO USE IT

Once you have registered for Legal Access, you will receive an email confirming your membership, at which point you can access services at any of our offices throughout Scotland.

When instructing Aberdeen Considine, be sure to let the person you're dealing with know that you are a Legal Access member so the special rates can be applied.

### SHARE THE BENEFITS WITH FAMILY

When you sign-up for Legal Access, you will also have the chance to add members of your family to the scheme, allowing them to share the same benefits.

### GET IN TOUCH

If you are having any problems with your registration or adding family members, contact **0333 0044333** and a member of our team will assist you.
