

Fred. Olsen Cruise Lines

# NORWEGIAN FJORDS, LANDSCAPES & VIKINGS

As a family-run cruise line, Fred. Olsen really take your experience personally. While the rest of the cruise industry has gone for bigger ships, Fred. Olsen has always believed that smaller is better. They have less guests on board so the service is personal and the atmosphere is warm and friendly. Their elegant, smaller ships can reach places the bigger ships cannot and are able to dock at smaller ports in more interesting places. This passion for cruising has led to them having more returning guests than any other cruise line.

Cruising with Fred. Olsen into the heart of the fjordland is the best way to appreciate the spectacular scenery of this other-worldly setting.

# THE OLSEN WAY HIGHLIGHTS

This itinerary has been timed to visit the Norwegian Fjords in late spring when the waterfalls are most powerful.

You can see the tumbling falls of Langfoss and Vøringfoss from Haugesund, while *Balmoral* will take you on a scenic diversion past the sprawling Fureberg Waterfall. Viking history can be uncovered in Haugesund, with its national monument said to be the burial place of King Harald Fairhair.

Elsewhere, the islands of Giske – the birthplace of Chief Rollo – and Godøy are reachable from Ålesund. In Olden, there's the chance to learn about the changing shape of the Briksdal Glacier with a local geologist before enjoying a Scenic Discovery along the picturesque Nordfjord.
