We need YOUR help! SPBF is the ONLY Scottish Based Charity dedicated to assisting Police Officers, Support Staff & their families at times of need. We rely entirely on subs/ donations & receive NO Government funding.

If you were a member & are now retired or retiring, your monthly subscription (currently only £1.50) will cease. We politely ask that you please continue to support our charity by setting up a new monthly donation using the instructions below. Your donation, whatever amount you choose, will ensure that we can continue to support our Police family, serving or retired, & enable us to continue to provide assistance to those in need in the years to come.
