

Opportunity – Evacuee Support Responders

Are you a retired Emergency Services professional looking for an occasional but meaningful challenge?

MCM is a specialist Emergency Response company, supporting critical industries such as gas supply and wind farms. We provide expert assistance during operational incidents, helping with the well-being of affected personnel.

We're looking for **two new members** to join our established **Lowlands and Borders Evacuee Response Team**.

What Does the Role Involve?

As an **Evacuee Support Responder**, your primary responsibility will be to assist offshore workers who are brought ashore for medical treatment. This includes:

- ✓ Ensuring they have essential welfare items
- ✓ Keeping their employer informed
- ✓ Organising transport home after discharge
- ✓ In larger incidents, you may also be required to help facilitate a **Reception Centre** to support multiple evacuees.

Full training and documentation is provided.

Who Are We Looking For?

We welcome applicants with backgrounds in **emergency services, HR, or healthcare**, as these skills align well with the role. You'll need to be:

- ✓ Calm and resourceful in challenging situations
- ✓ Willing to respond **24/7 when required** (though activation is infrequent)
- ✓ Living **in or around Perth** for timely deployment
- ✓ Work on a self-employed basis

What's in It for You?

- **£150 monthly retainer** for being available
- **Additional shift/day rate** when deployed
- **Flexible, low-demand role** with occasional activation

Interested?

Visit mcmcrisis.com for more details, or contact **Sarah Alcock, Managing Director** on **07954 246183** for an informal chat or email sarahalcock@mcmcrisis.com.
